about us

Hi! We are Caleb and Jenna. We are high school sweethearts, and we have been married for three years. We love enjoying life together! Caleb is gentle hearted and so quick to serve others. Jenna is so loving, caring, and compassionate. She wears her heart on her sleeve and cares for anyone who passes her. Caleb coaches football and soccer while also teaching algebra; Jenna teaches PreK and loves making learning FUN! If we are blessed with a wonderful addition to our family, Jenna will be a stay-at-home mom. We are loving, fun, and caring and love spending time with family and friends. Our favorite thing is to travel to new places, and a bonus is to see a sports game! We love having family time enjoying walks, movie nights, cuddles with our fur babies, playing sports, and having new adventures. We are enthusiastic about expanding our family.

our home + pets

In 2023 we were able to purchase our first home in a modern neighborhood with great neighbors. We have a perfect neighborhood to walk and enjoy nature as a family. We have a playground and a community swimming pool for more family activities within walking distance. We are so excited to fill this house with kids and toys! In our home, we have our two fur babies, Aggie the golden retriever and Camille the calico Maine coon cat. They are more than excited to give love and grow our family!

what led us to adoption

We have known since we were in high school and dating that we would grow our family through adoption. We both have wanted to adopt since we were kids. Growing up, both of our families had an open home for those who needed anything. Being able to adopt is such an honor, and if chosen, we promise (and are so excited) to love your sweet baby well. We also want your baby to know how loved they are by their birthfamily.

our family

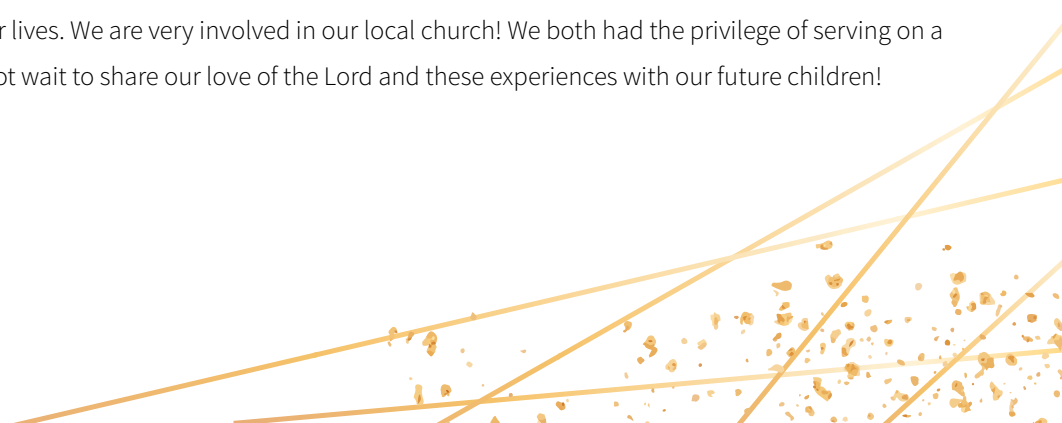

and traditions

Our family is everything. We love traditions like making Christmas candies and cookies, dinner with each other at the table every night, celebrating birthdays big (the whole day about them), homemade pies, and matching Christmas pajamas. We love spending time with both of our families. Together, we have four nieces and one nephew. Our families are so excited to welcome and love on another baby!

Caleb has two brothers. One brother is married, and they have a baby girl. Jenna has a brother and sister. Her brother is married, and they have two baby girls; her sister is married, and they have one girl and a baby boy.

Our church family is another huge part of our lives. We are very involved in our local church! We both had the privilege of serving on a mission in Africa this past summer. We cannot wait to share our love of the Lord and these experiences with our future children!

We want to start by saying thank you for considering adoption and considering us to raise your baby. We know you love your baby, and we truly cannot understand this is a selfless journey you have embarked on. We want to ensure that your baby will know how much YOU love them. It is because of your bravery that we may be given the opportunity to explore the greatest blessing in our lives, the blessing of parenthood.

It is by faith we know we are on the correct path; the Lord has provided us with the opportunity to adopt and for you to be looking at our profile. We are caring, loving, faithful, servant hearted, and very family oriented. We have a fabulous support group through family and our church community. Your baby will be so loved and oh so prayed for.

Thank you so much for taking the time to read our profile and getting to know us. We are so excited to welcome you and your child into our lives. We pray every day for the both of you. We pray for peace and wisdom for you as you continue to create an adoption plan. We hope to get to meet you and know you in the future.

Love,

Jenna and Caleb
